RE: Extension of DMX Music Service – 3/31/19

Dear HITS Affiliate,

HITS has been notified by Mood Media that they are terminating the Digital Music Express Affiliation agreement with HITS as of December 31, 2018. HITS is currently evaluating options for a replacement music service on the HITS platform. To allow systems to determine solutions for a music service, **HITS and Mood Media have agreed to continue distribution of the DMX service on HITS through March 31, 2019.**

In the very near future, HITS will communicate the results of our evaluation, overall plans and options/recommendations for ongoing music services.

As always, you may contact your HITS Representative at 800-824-1776, Option #5 or the HITS Support team at 800-426-7790 for questions and information regarding these changes.

Sincerely,

Allison Olien
Vice President & GM
